trading value
variable at best
everyone risk
no matter how
u dress

G

this stock exchange
agent of change

look out
its time to divest
sharing the dream
leaving me unrest

narrow ur range
listen to the sage

VERSE 2

paper, currency
u hold so dear
fueling fire with
hope and
shedding tears

whose wage
is up on stage

we can, we can
no longer hide
ride this digital
horse inside

system manage
out with the garbage

F#m x2

C#m - E - Bm - F#m (1/4 beat)

Na na na-na-na Na na na-na-na Na Na

{Jam out on the F#m - G}

VERSE 3

its a great position
have want they want
make it worth it
give it all u got

commodities uncaged

panic setting in
trading all time low
can't hide my glee
let the money flow

feel the rage
played at the stock exchange
