

## 8 - laying down ur moves

### VERSE 1

C9 Dm7

stepping from the past we inch along

letting go of what went wrong

I let it go and I move on

new battles ahead sing a new a song

### VERSE 2

C9 Dm7

hapless heroes striving themselves

through thunderous feats imbibing themselves

challenging notions of propriety itself

reflecting desire hidden in all else

### CHORUS

Am Bm7  
but now to start shaking it loose

D  
dont let it stop

Am Bm7  
laying down ur moves laying down ur moves

D Dm7  
laying down ur moves

### VERSE 3

C9 Dm7

look past your want faith to manifest

twisting cells its an acid test

woah looks whats broken has come to rest

puzzle the new pieces feel it in your chest

### CHORUS x2

### BRIDGE:

B G

superb capers dreamt up

C C9

silent schemes drawn up

B G

secrets shades drawn down

C C9

emerging unwound

{breakdown}

### VERSE 4

C9 Dm7

visions from the past light the way

optical illusions hint of what can be

little victories start to play

oh they start to pay

### CHORUS x2

end on D7
