

leave u behind

VERSE 1

Dm
Pack up our life its time to go
Gm
Leave behind all I know
Dm
Neighbourhood has turned to dust
Gm
Neighbours resolve withered like rust

Dm
A little boat across the sea
Gm
What baggage i can take with me
Dm
Will i see welcome open arms
Gm
Or xenophobic grave bodily harm

Dm. Gm
Now my love for a home
Dm Gm
Has turned to stone

CHORUS

F Bb C C
I didn't mean to leave you behind
Always want you by my side
Won't you come share this ride
I didn't mean to leave you behind

VERSE 2

Sister sister i can't explain
It's a choice i had to choose
Checking my life against their pain
Choking my spirit like a noose

I take you with me where i go
You're in my heart and in my soul
life path may diverge
Our blood will always emerge, Oh

Don't let love for our home
turn to stone

CHORUS
